## BeBop 2010 Spring/Summer Softball Registration (Page 2)

### **BEBOP CURFEW:**

“Lights out” is 11:00pm, 7 days a week. This means we can take 28 teams a night, but get your entry in EARLY as we turned teams away again last year.

\* Teams will play a 14 game league schedule, starting week of April 12, plus an optional In-House Double Elimination Weekend tournament.

\* All leagues are USSSA sanctioned. BeBop softball directors will determine the classification for each team for state and weekend, tournament play.

\* Attach roster with at least 10 player names to registration form. COMPLETE ROSTER IS DUE AT TIME OF MANAGERS MEETING. Changes and additions can be made thru June 23.

**Registration Dates:** Registration officially begins on January 13, 2010. Returning 2009 “SUMMER LEAGUE” teams have priority registration until February 14, 2010, for the same night they played in 2009. Final registration deadline is April 6 2010. ***NO TEAM IS CONSIDERED REGISTERED UNTIL THEY PAY THE DEPOSIT!!*** New teams may submit their registration early, but are not guaranteed a spot until priority registration is completed. All registrations for new teams will be handled on first come, first serve basis.

**Tournament Berths:** State/regional tournament berths will be paid for teams that win their respective league, plus winners of the mid-season tournaments if these teams WANT to go on to state or regional competition. Teams intending to go to state or regional play, **MUST NOTIFY BeBop by June 30** so we can reserve the berth with the state. MRPA cost for state or regional tournament is \$150.00. Make check payable to “The BeBop Venue” at the time you order the berth.

Game times: 6:00pm, 7:00pm, 8:00pm, 9:00pm, 10:00pm (teams will have not more than 3 games at 10:00pm). **EXCEPTION:** rainout makeup games which may require us to schedule additional games at 10:00pm. We will try to schedule any makeup games as a back to back doubleheader.

\* Sunday night leagues will start at 5:00pm, so the last game times will be at 8:00pm in most cases. 9:00pm will be used for makeup games. Again we will try and schedule makeup games as a back to back doubleheader.
